Gentlemen:

Enclosed are the original and two copies of negotiated Contract No. 14-08-0001-12725 for professional services for the master plan of the Earth Resources Observation Systems Data Center, Sioux Falls, South Dakota, including the design of the Data Handling Building and support facilities. This contract was prepared on the basis of the negotiation held in this office on February 8, 1971.

Please review this proposed contract and, if satisfactory, sign in the space indicated, have your signatures witnessed by two individuals and return the signed original and two copies to me. Do not date the contract.

The proposed contract is not effective until signed on behalf of the Government and is not to be construed as a commitment prior thereto. When signed for the Government, two fully executed copies will be returned to the joint venture.

Also enclosed are three copies of the Contractors Representations Regarding Small Business, Contingent Fees and Certification of Nonsegregated Facilities, of which two copies should be completed and returned.
