# HOW TO ORDER AERIAL MAPPING PHOTOGRAPHY

This order form is used to order either BLACK AND WHITE PHOTO INDEXES or INDIVIDUAL FRAMES of AERIAL MAPPING PHOTOGRAPHY.

Please provide the following information in the indicated areas of the order form:

- A. List your complete NAME, ADDRESS, ZIP CODE, and name of your COMPANY if applicable.
- B. If you desire to have the products mailed to an address or individual other than yourself, please complete the "SHIP TO" address.
- C. List a PHONE NUMBER where you can be contacted during business hours.
- D. If you have had previous business with the EROS DATA CENTER, please list your COMPUTER ACCOUNT NUMBER, if known.
- E. Enter the complete PHOTO IDENTIFICATION NUMBER as follows:

**PHOTO INDEX:** This number can be transcribed directly from a computer listing. Format size must be ordered according to available FILM SOURCE. Size A is 10" x 12". Size B is all sizes larger than 10" x 12", with most 20" x 24".

**QUADRANGLE NAME AND STATE:** The quadrangle name can be transcribed directly from a Geological Survey state topographic map index. The latest Geological Survey coverage available will be selected when ordering a photo index using a topographic quadrangle name.

**INDIVIDUAL PHOTOGRAPHS:** This number can be transcribed directly from a PHOTO INDEX, by selecting the PROJECT, ROLL and FRAME NO. from the respective photographs. If only one frame of photography is being ordered, the column identified as LAST FRAME can be ignored, however, if more than one consecutive frame is required, please complete both the FIRST and LAST FRAME columns.

- F. REVIEW the STANDARD PRODUCTS TABLE on the order form and determine the type of PRODUCT desired.
- G. Enter the PRODUCT CODE of the type product being ordered from the STANDARD PRODUCTS TABLE.
- H. If you are ordering MORE than one photograph from a roll, enter the TOTAL in the NO. OF FRAMES column. Example: FIRST FRAME - 106; LAST FRAME - 112; NO. OF FRAMES = 7.
- I. The COMMENTS portion is completed only when a CUSTOM PRODUCT is desired and you want to specify the parameters. Cost determination is normally based on three times the standard cost.
- J. Enter the NUMBER of copies being ordered of that product in the QUANTITY column. When the NO. OF FRAMES column reflects more than one, it will be necessary to MULTIPLY that figure times the number of copies to derive the QUANTITY figure.
- K. Enter the UNIT PRICE of the product as reflected in the STANDARD PRODUCTS TABLE.
- L. MULTIPLY the figure in the QUANTITY column by the UNIT PRICE, and enter the result in the TOTAL PRICE column.
- M. REPEAT the above for each product ordered.
- N. TOTAL the costs of all products ordered on that form and enter the result in BLOCK A. (TOTAL ABOVE.)
- O. If more than one order form is required, enter the sum of the figures in BLOCKS A in BLOCK B of the last order form.
- P. Enter the SUM of BLOCK A and BLOCK B in BLOCK C, (TOTAL COST).
- Q. Indicate the TYPE of payment being made with a CHECK MARK. Make all drafts payable to U. S. GEOLOGICAL SURVEY. DO NOT SEND CASH.
- R. Mail ORDER FORM(S) and PRE-PAYMENT to the EROS DATA CENTER. IF PAYMENT HAS BEEN PREVIOUSLY FORWARDED TO ANOTHER FACILITY, PLEASE FORWARD THIS ORDER TO THAT FACILITY FOR PROCESSING.
