35MM MOUNTED SLIDES

AVAILABILITY	UNIT PRICE	COLOR PRODUCT CODE
Preselected Landsat Coverage of the 48 conterminous United States	\$4.00	50

NOTE:

35mm mounted slides are only available from existing master slides residing at the Data Center and are intended for projection purposes only.

Custom processing is available at three times the standard product price. If a non-standard size is desired, the cost is three times the next larger standard product price.

Extra care should be taken to insure that monies and related order forms are forwarded to the same facility.

Landsat microfiche subscriptions are available for catalogs.

For further information please contact Landsat Customer Services at the EROS Data Center for further assistance.
