Mr. William A. Schmidt
Special Assistant to the Director
Geological Survey
GSA Building
United States Department of the Interior
18th & "F" Street, N.W.
Washington, D.C. 20242

Dear Mr. Schmidt:

As required by Phase IIB of our A/F Services Contract,
we are submitting herewith the following items:

1. Diagrammatic (sepia) drawings of the Data
Handling Building, Sheets 1 through 4.
2. Square foot cost estimate of the DHB.

Previously we have submitted preliminary design concept
sketches. We expect to submit our analysis of costs
and recommendations for fuels and energy sources next
week to complete the items listed under Phase IIB1.

Very truly yours,

Duane P. Paulson, P.E.
Project Manager
